2019	Infiniti	QX60	minor dent/scratches	CLEAN TITLE	83,691	2026- 06-01	\$5,400	75%

Comparables are retrieved by the model from realized auction outcomes; similarity is cosine similarity in the model's retrieval space. Realized prices are recorded auction outcomes at completed sales — not asking prices or estimates. Method: how we measure accuracy.

This is a market value estimate generated by a statistical model from realized auction sales. It is not an appraisal under any state's law and was not prepared by a licensed appraiser. Informational only; not legal, insurance, or claims advice.
